U.S. ex rel. MESHEL, et al.

Plaintiffs,

v.

TENET HEALTHCARE CORPORATION

Defendant.

) CIVIL ACTION NO. EP-02-CA-0525

*FILED

 CLERK, U.S. DISTRICT COURT
 BY DEPUTY

**UNITED STATES' NOTICE OF SETTLEMENT OF CLAIMS AGAINST
 TENET HEALTHCARE CORPORATION**

The United States respectfully advises this Court that the United States, on June 29, 2006, entered into a settlement agreement ("Settlement Agreement") with Tenet Healthcare Corp. ("Tenet") and its hospitals that has resolved a wide range of allegations. Among the topics resolved by the Settlement Agreement are allegations that Tenet's claims for outlier payments violated the False Claims Act, which have been raised by the relators in the instant case.

For the reasons previously stated in Tenet's filings, as well as the United States' filings in this matter, the United States continues to take the position that relators Meshel and Lam are prohibited under the False Claims Act from pursuing allegations against Tenet involving outlier payments. The United States nonetheless wished to apprise the Court of the Settlement Agreement, given the fact that its scope encompassed some of the allegations made by the relators. The Court should note that the Settlement Agreement expressly excluded the relators' kickback allegations, so the relators remain free to continue

to pursue them in the event that these allegations withstand Tenet's motion to dismiss.

Respectfully submitted,

PETER D. KEISLER
